Dear ADS Supporter,

Thank you for making Fiscal Year 2018 another remarkable year for Alzheimer's & Dementia Services of Memphis, Inc., (ADS). This year marked our 35th year of service to the Memphis community. The dedicated staff of ADS has done an incredible job at working with the "Friends" in our therapeutic day program, expanding ADS' outreach while strengthening programs and services offered at both centers.

The 2018 year was full of new activities for "Friends", caregiver education and the vision of the third center coming into view.

Thank you to all who supported the 13th Annual Trivia Night, Caregiver Conference, Coping and Caring Sessions, Caregiving 101 Classes, Homecoming with the "Friends" and many more exciting things that took place at ADS.

This Annual Report will not only show you the financials of ADS but also highlight the good work that takes place in the community we serve. Thank you wholeheartedly for being a part of ADS. We are looking forward to much more for 2019.

Sincerely,

Arts & Crafts
Throughout the year, "Friends" get their hands on beads, tissue, construction paper, pipe cleaners and much more to design wonderful pieces of art to go around the centers during holidays and just everyday occasions. Keeping the mind designing and the hands busy is a great way to keep the motor skills moving.

Field Trips
Visiting the National Civil Rights Museum, fishing in Shelby Farms, and Andy B’s for bowling. "Friends" love getting out into the community and having fun. "Friends" have had a chance to go beyond the walls of Dorothy’s Place and Kennedy Park Center and to enjoy their time in the community.

Hands On
Many "Friends" get hands on with tasks during the day. "Friends" help fold laundry, make sweet treats for first responders and help make healthy snacks for the day. Involving "Friends" with daily tasks encourages social skills and gives them a purpose for the day and for some continuing of life task.

Tai Chi
Gentle exercise can be very beneficial for "Friends" with Alzheimer's. Chair Tai Chi is a full body exercise enhancing strength and flexibility.

Traveling Petting Zoo
"Friends" enjoy when the fun comes to them. Yearly, Happy Times Farm Petting Zoo visits both Dorothy’s Place and Kennedy Park Center for cuddles and hugs.
Volunteers play a vital role at ADS. FY 2018, **over 3,758 hours** were donated. Groups from Baptist College Of Nursing, FedEx, Nike, Southwest Community College, Christian Brothers University Nursing Students, AKA-Phi Lambda Omega Chapter, ADS Beta Epsilon Omega Chapter, Ross Elementary "Are you ready to serve" group, and Wooddale Middle School were a few to come and lend a helping hand, voice or hug.

To learn more about volunteering at ADS please call (901) 372-4585 or go to info@adsmemphis.org.
Dementia Sensitivity Experience

This program is "hands on" by giving the participant the experience of what it might feel like to have Alzheimer's by altering their senses. The experience is presented at ADS centers twice a year and off-site upon request.

Free Caregiver Conference

This event is held every November and offers the caregiver vital information about those for whom they are caring. Speakers cover topics from financial, and legal issues to personal experiences dealing with the disease.

It was also Brother Ignatius' last trivia night after many years of being the head Quiz Master. Teams included: Lakeside Behavioral Health came to play and when not only the large trophy but bragging rights for the entire year.

*The 2019 Trivia Night will be on April 27, 2019 at Temple Israel.*

Funds were presented to ADS for various fundraisers including: Muddy's donations for the month of December, The Four-Way Grill for a"Foo-Cial,“ and The Friends of George's for their show "Dragnificent."

**Wish List Donations**

ADS Wish List is a list of items needed at both centers that we wish we could have. There are four lists every year that are posted online. Individuals and groups can donate these wish list items to ADS. Thank you for all those who donate from these lists to ADS.
